O R D E R

This matter arising upon petition of GE Capital Communication Services Corporation d/b/a GE Capital EXCHANGE & GE EXCHANGE ("GECCS"), filed April 3, 1995, for confidential protection of its 1994 Annual Gross Operating Revenue Report ("Gross Revenue Report"), and it appearing to this Commission as follows:

GECCS has requested that the Commission treat as confidential its 1994 Gross Revenue Report. As grounds for its request, GECCS states that it considers the information confidential.

KRS 61.872(1) requires information filed with the Commission to be available for public inspection unless specifically exempted by statute. Exemptions from this requirement are provided in KRS 61.878(1) and the procedure for obtaining confidential protection is provided in regulation 807 KAR 5:001, Section 7. GECCS's request does not meet the procedural requirements of the regulation and, therefore, it should be denied.

This Commission being otherwise sufficiently advised,

IT IS ORDERED that:

1. The request to protect from public disclosure GECCS's 1994 Gross Revenue Report is hereby denied.

2. The information sought to be protected shall be held and retained by this Commission as confidential and shall not be open for public inspection for a period of 20 days from the date of this Order to allow GECCS to seek any remedy afforded by law.

3. If at the expiration of the 20-day period no action has been taken by the petitioner, the information shall be placed in the public record without further Orders herein.<sup>1</sup>
